LIMITED PURPOSE OF TAKING  
DEPOSITIONS**

Plaintiff, Justin Cahill, by and through his attorney of record, Jamie S. Cogburn, Esq., and Joshua A. Dowling, Esq. of Cogburn Law Offices and Defendant, Larry Kent, by and through his attorney of record, George M. Ranalli, Esq. and Lawrence Phillips, Esq. with Ranalli & Zaniel and Rahul Kulkarni, Esq. of Wilson, Elser Moskowitz Edelman & Dicker, LLP, hereby stipulate and agree as follows:

**1. NATURE OF THE ACTION:**

This is an action for personal injuries arising from an incident occurring on February 13, 2013. Defendant operated a Utility Task Vehicle (UTV), with Plaintiff as his passenger, for the purpose of performing a test drive. Following said test drive, Defendant attempted to drive the UTV onto his truck's trailer. Specifically, Defendant accelerated the UTV causing it to travel over the front of his trailer and roll onto the ground. As a result, Plaintiff's right hand and wrist

1 were crushed between the UTV and the ground. Plaintiff was then administered first aid due to  
2 the immediately apparent severity of his injuries. Thereafter, emergency medical personnel  
3 arrived and placed Plaintiff on a gurney and transported him via ambulance to the hospital where  
4 he was treated for severe and disfiguring right hand injuries. Plaintiff claims severe and  
5 extensive injuries and damages as a result of the subject incident.

**4. THE REASONS WHY THE DISCOVERY REMAINING WAS NOT COMPLETED WITHIN THE TIME LIMITS SET BY THE DISCOVERY ORDER.**

The parties have diligently worked on discovery in this matter. Currently, the discovery is set to close on February 11. All depositions were scheduled to take place before the discovery deadline; however, Plaintiff's office requested new dates to take expert, Timothy Logsdon's deposition as lead counsel for the Plaintiff has been out of the office due to having pneumonia. Defendant's counsel provided new dates of availability for Timothy Logsdon, which are after the discovery deadline. The parties agreed the deposition of Timothy Logsdon would take place on March 30, 2016. Additionally, Plaintiff's counsel has been attempting to take the deposition of

1 the 30(b)(6) and/or adjuster for Co-Operators Insurance based upon the loss or destruction of  
 2 Defendant's recorded statement. However, recently Defendant disclosed a purported summary  
 3 of the above-mentioned recorded statement which does not identify the documents author or  
 4 when it was created. As a result, after lengthy discussions between counsel, it has been agreed  
 5 the depositions of the insurance adjuster who took a recorded statement of Defendant, Larry  
 6 Kent and Canadian Co-Operators Insurance FRCP 30(b)(6) witness will be necessary.

7  
 8 **5. THE PROPOSED SCHEDULE FOR COMPLETING THE DEPOSITIONS OF**  
 9 **TIMOTHY LOGSDON, THE CORPORATE REPRESENTATIVE FOR**  
 10 **CANADIAN CO-OPERATORS INSURANCE AND THE ADJUSTER FOR**  
 11 **CANADIAN CO-OPERATORS INSURANCE**

12 The parties would like to extend the deadline for discovery to be completed to April 1,  
 13 2016, for the limited purpose of completing the depositions of Timothy Logsdon, Canadian Co-  
 14 Operators Insurance's FRCP 30(b)(6) corporate representative, and the adjuster from Canadian  
 15 Co-Operators Insurance who authored the purported summary of Defendant's recorded  
 16 statement. All other discovery would still be required to be completed by February 11, 2016.
